

stayok for experts light

«THANKS TO THE STAYOK QUESTIONNAIRE FOR EXPERTS LIGHT, WE CAN PROVIDE EMPLOYERS WITH SCIENTIFICALLY SOUND FEEDBACK ON WHETHER SUPPORT FOR THE SICK OR INJURED EMPLOYEE WOULD BE USEFUL AT THE CURRENT TIME. THIS SIMPLIFIES FURTHER PLANNING AND THE CORRESPONDING ALLOCATION OF RESOURCES.»

HMS Case Manager

Everything at a glance - stayok for experts light

SHORT DESCRIPTION

stayok for Experts light uses a short, evidence-based questionnaire to assist professionals in the early identification and case management of people who have fallen ill or had an accident. The expert uses this analysis to determine whether further resources or action are needed. The in-depth analysis with stayok for experts can be used to determine the need for and possible duration and scope of case management support. By acting early, signs can be recognized, and risk situations can be prevented.

APPLICATION

For professionals who carry out initial clarifications / case triage.

ADDED VALUE

With stayok for experts light, a valid initial assessment can be performed in just a few minutes.

DATA PROTECTION

The data entered in the questionnaire is transmitted in encrypted form. Data is collected and processed in accordance with the privacy policy and processing regulations. HMS is also ISO 27001 and ISO 13485 certified.

EVALUATION REPORTS

- Brief report for specialist and person concerned
- Case assessment (only with SAM)

LANGUAGES

The questionnaire is available in four languages: German, French, English and Italian

COSTS

The costs can be found on the accompanying sheet for the license models.

PROCEDURE GUIDE FOR STAYOK FOR EXPERTS LIGHT

STEP 1 - COMPLETING THE QUESTIONNAIRE

The individual receives the access data electronically and completes the questionnaire independently. The questionnaire consists of about 20 questions.

STEP 2 - INDIVIDUAL EVALUATION

The tool calculates a personalized result based on the data entered and a set of stored rules.

STEP 3 - REPORTING

After completing the form, the person can automatically download the short report.

STEP 4 - NEXT STEPS

The individual will then be contacted by their contact person to discuss the next steps.
